Red printed odds are used to pay a **Latrey Win Bonus**

Latrey is played by 1 to 7 players using three dice in a sealed tumbler.
The tumbler is moved to each player in turn marked by a puck.
The total score of three dice 'Easy Way' or 'Latrey Way' makes the winning number.

Bets are placed using chips on any of the 42 sections on the layout.

The dealer shakes and places the tumbler on the players mat nearest the puck.
PLAYERS MUST NOT MOVE OR REMOVE THE TUMBLER COVER.

The player can shake the tumbler or tap the cover to accept the dealers shake.
THE DEALER THEN REMOVES THE DICE TUMBLER COVER.

If the result is the 'Latrey Way' the same player has the next shake.

LATREY

Now it's your chance to make the winning number.

Latrey is played with three dice in a sealed tumbler. The tumbler is moved to each player in turn.

The total score of all three dice make the winning number.

Players begin the game by purchasing Latrey chips from the dealer.

Players place their chips on the layout and may do so until the dealer calls 'NO MORE BETS'.

The dealer shakes the dice tumbler and places it on the Dice Mat nearest to the Puck.

WARNING
PLAYERS MUST NOT REMOVE THE DICE TUMBLER COVER

A player not wanting to shake the dice can tap the cover to indicate the dealers shake stands - or - the player can pick up the dice tumbler, give it a shake and place it back on the mat with the cover still on.

THE DEALER THEN REMOVES THE DICE TUMBLER COVER

If a Latrey is made the player who made the Latrey makes the next shake.

WINNING BETS; how the dice land (Easy way or Latrey way) determines the payout.

EASY WAY dice show different numbers.

6+5+1=12

LATREY WAY dice all show the same number.

Big Table Games:

Big table casino games owe their modern look to European casino regulations of the early 1800s. Single and Double Zero Roulette, Craps, Pai Gow, Sic Bow and Big Six Wheel games are licensed free of copyright and patents. Casinos are able to use and customise the layouts within the licencing regulations.

The market is constantly changing, there is an unprecedented need for new table games. Players want variety and contemporary themes with games they can learn quickly and play by intuition.

Latrey must have a field trial to comply with licencing regulations. A casino will have to take out a profitable table and replace it with unproven Latrey. Initially Latrey is likely to attract only recreational players who will bet small amounts. Latrey has the potential to make more money over the six months trial than the game it replaces.

| Dice Games | Hands/Hour | House Edge |

On 1 January 1962, Paul McCartney, John Lennon, George Harrison and Pete Best were auditioned by producer Mike Smith, performing a total of fifteen songs in just under one hour. Mike Smith said "he could not see any problems and that he would let the group know of his decisions in a few weeks". Eventually, Decca Records rejected The Beatles, saying that "guitar groups are on the way out". The Beatles went on to sign with Parlophone EMI, instead.

Winston Churchill said:

"A pessimist sees the difficulty in every opportunity; an optimist sees the opportunity in every difficulty."

Thomas Edison said:

"Opportunity is missed by most people because it is dressed in overalls and looks like work."

"Potentially the first major large table pit game for over 200 years"
